## About Us

All based on your individual needs, we are dedicated to providing the highest quality care to our patients using the most up-to-date techniques, products, and equipment. Our skill and advanced knowledge result in customized, effective experiences for all our patients.

We take pride in providing our patients with the best in specialized care. A research based outfit, we provide you with the latest, most effective treatments.

The clinic provides up-to-date cosmetic procedures and full-service medical dermatological care. We treat all age groups and encourage families to use our clinic. Men, women and children are welcomed.

## Treatments Offered

- **Clinical Dermatology:** Treats diseases affecting the skin, hair, and nails.
- **Dermatological Surgery:** Includes skin biopsy, removal of growths, and treatment of skin cancers.
- **Laser Hair Removal:** Uses laser technology to remove unwanted hair.
- **Hydrfacial MD:** A non-invasive facial treatment that cleanses, exfoliates, and hydrates the skin.
- **Vampire Facial (PRP):** Uses platelet-rich plasma to rejuvenate the skin.
- **Botox and Dermal Fillers:** Injections to reduce wrinkles and add volume to the face.
- **Thread Lift:** A non-surgical facelift using threads to lift and tighten the skin.
- **LED Mask:** Uses LED light therapy to treat various skin conditions.
- **Nail Fungus Treatment:** Treats fungal infections of the nails.
- **Brown Spot Removal:** Removes brown spots or hyperpigmentation from the skin.
- **Non-Surgical Cellulite & Body Contouring (Body by BTL):** Reduces cellulite and contours the body without surgery.
- **Cryotherapy/Cryosurgery:** Uses extreme cold to treat warts and skin tags.
- **Skin Rejuvenation and Tightening:** Treatments to improve skin texture and firmness.
- **Chemical Peels:** Uses chemicals to exfoliate and improve skin appearance.
- **Microneedling (Dermapen 4):** Uses tiny needles to stimulate skin repair and collagen production.
- **Treatment of Keloids & Hypertrophic Scars:** Reduces the appearance of raised scars.
- **Sclerotherapy:** Treats spider veins and varicose veins.

- **Excessive Sweating (Hyperhidrosis):** Treats excessive sweating in the palms and underarms.
- **Electrocautery:** Uses electric current to remove skin growths.
- **Lymphastim:** Stimulates the lymphatic system to reduce swelling and improve circulation.
- **X-Wave:** Uses sound waves to treat cellulite and improve skin texture.
- **Mesotherapy:** Injects vitamins and other substances into the skin for rejuvenation.
- **Skin Care Products:** Various products to maintain and improve skin health.

### EXION 4 IN 1: SERVICES ARE NOW AVAILABLE!

**Fractional RF with Painless Microneedling:** Uses monopolar radiofrequency and AI technology for deep skin treatment without discomfort, addressing conditions like wrinkles, acne, scars, and stretch marks.

**EXION™ Face:** Offers non-invasive hyaluronic acid enhancement to improve skin texture and hydration, reducing signs of aging.

**EXION™ Body:** Treats skin laxity and localized fat pockets, helping to tighten the skin and reduce fat in targeted areas.

**EMFEMME 360:** Delivers quick, non-invasive radiofrequency treatments for intimate health.
